

COVID-19 Enforcement Task Force

The Alaska Division of Banking and Securities has joined the North American Securities Administrators Association (NASAA) COVID-19 Enforcement Task Force. The goal is to identify and stop potential threats to investors stemming from the COVID-19 pandemic. The Task Force is using online investigative techniques to identify websites and social media posts that may be offering or promoting fraudulent offerings, investment frauds, and unregistered regulated activities. Investors who see or suspect they may be a victim of a COVID-19 related investment scam can submit a complaint form found [here](#) and submit it to securities@alaska.gov. Please contact the Division at (907) 269-8140 or at securities@alaska.gov if you have any questions.
